Alvirne High School Driver Education Contract Continued...

I agree to attend all scheduled classes. I will also bring a copy of my birth certificate to the first class to show that I am in compliance with the New Hampshire State Age Law requirement regarding driver education. (Do not bring an original birth certificate).

- Schedule reflects classroom times & dates only. Driving will be done over the course of the program and continue once class has ended until the student completes 10 hours of driving and a minimum of 6 hours observation.
- No student will be given a green slip without a Green Slip Release Form signed by parent or guardian.
- A green slip (representing successful completion of Dr. Ed) will not be awarded to those who have not passed the course with a grade of 80% or higher, returned textbooks in good condition, completed and turned in all assignments, and who has not paid in full.
- I am aware that the driving instructor has the right to withhold a student's green slip if he or she feels more driving time is needed. Should this situation arise the driving instructor will discuss it with the student and parent/guardian. An hourly charge will be needed for an evaluation after the student has completed the recommended additional hours at home. I am aware that any student enrolled in a driver education program will be removed from the program if in possession of alcohol or any illegal substance that violates any laws.
- **All payments must clear the bank before green slips are issued. This may take up to TEN business days. For those paying by check, there is a \$75.00 fee for any returned check.**
- Driving lessons are scheduled in advance. The driving instructor will schedule driving time with each student. If a student misses a driving lesson **without 24 hr. notification they will be required to pay a missed driving fee of \$85.00.**
- To the best of my knowledge my son/daughter is not under any suspension or revocation which would prevent him/her from obtaining a license.
